

# Have you heard about...

## MUSIC K-8

# KidTunes

where your child can purchase and download **MUSIC K-8 tunes** for only 99 cents apiece... and **videos** for only \$1.98!

---

### What is K8 KidTunes?

**K8 KidTunes** is a place where children can legally and safely download MP3 files of their favorite Plank Road Publishing/MUSIC K-8 songs for only 99¢ per song. There are even music videos for some of the songs available for only \$1.98. Your child may legally listen to these songs and view the videos on the computer, burn a CD or DVD for personal use, or play the files on a device such as an iPod.

You may even recognize some of these songs from school performances: This is the same high-quality Plank Road Publishing music that music teachers throughout the country have come to rely upon in their programs and lessons. You can rest assured that our music is suitable for children.

### How do I get started?

**STEP 1:** Register and set up an allowance account for your child.

**STEP 2:** Your child can browse and listen to the **K8 KidTunes** before they decide to buy.

**STEP 3:** Your child purchases and downloads the **K8 KidTunes** of their choice.

With the Username and Password you and your child decide upon, your child can download music without using your credit card or disclosing any personal information.
